

BAR LOUIE

1348 Lagoon Street Minneapolis, MN 55408

Sometimes a desert oasis is merely a mirage, an illusion the mind creates when a parched person longs for a watering hole. Bar Louie is an Urban Oasis, designed just in time to save Uptowners (and downtowners... and suburbanites...) from certain (alcohol) dehydration. With tiled mosaics and outdoor seating surrounded by sparkly pools of water, Bar Louie has earned a reputation in the Twin Cities — not as a bar to be hopped to — or from, but as a destination bar.
