FISH & RICHARDSON

3200 RBC Plaza 60 South Sixth Street Minneapolis, MN 55402

Client confidentiality is of the utmost importance for attorneys, and that requirement defined our design for one of the world's premier intellectual property and litigation firms. Our client needed to maintain their high quality look and feel while adding more private offices and expanding their break area. Beautiful millwork and glass walls did just that.

*Just listen to that pin drop.*
