

THE HARVESTER LOFTS

HARVESTER LOFTS

618 Washington Ave. N Minneapolis, MN 55401

There isn't enough Botox and collagen on the planet to turn a 100 year old human into a stunning showpiece... But this 100 year old Downtown Minneapolis warehouse has been repurposed, transformed, and yes, turned into just that: a stunning showpiece. 43 units of polished concrete, floor-to-ceiling windows, maple floors, and skyline views make Harvester Lofts THE place to live in the North Loop. And if this building was a 100 year old human, miraculously transformed, you'd have to get in line just to get a phone number. I'm just saying.
