

STREETZ

1200 W 98TH St. Bloomington, MN 55431

Streetz is a delicious mashup of the best streetvendors across the country. Tanek helped create a branded site with elements that can be assembled (just like a Philly Cheese Steak) in a variety of configurations (just like in your belly). With a defined palette of materials (think aged stainless steel) and simple architectural details (think manhole covers) Streetz makes it possible to actually eat your favorite AmericanA. Repurposing an old Denny's in Bloomington, Minnesota into a streetfood mecca, took vision. And a lot of meat.

**Tip: Don't go to Streetz if you don't enjoy eating in a fun environment.*
