YOGURT LAB : UPTOWN
2935 Girard Ave South, Minneapolis, MN, 55408

Have you ever needed frozen yogurt served in a sanitary setting? Yes? Have you ever been walking through Uptown and thought, "This day would be perfect if only my hand held a pay-by-the-ounce bowl of frozen yogurt topped with fresh berries." Yes?! We worked with Yogurt Lab to fulfill all of your frozen yogurt desires. Again. Behold the periodic table of flavors, behold the complex meaningless equations, behold the lab stations!
Behold the new flavor of Uptown.
